The architect Andreas Blinkenberg and the pilgrims' pastor Elisabeth Lidell got the idea of establishing the hostels along the "Hærvejen" when walking on the old pilgrims' route 'El Camino' in Spain. The Fonden Realdania, Friluftsrådet, counties and municipalities along the Hærvejen, as well as through EU-art 33 subsidies supported the project of establishing the hostels. The Association of Hostels along Hærvejen consists of representatives from Dansk Vandrelaug, Dansk Cyklist Forbund, Dansk Islandshesteforening, Foreningen af Danske Santiagopilgrimme, pilgrims pastors and Viborg Pilgrims center.
